

“MAKE YOUR TAB” KIT GTK-300

- Pure leather kit to make a custom “GILLO” tab as shown in “The Heretic Archer” book
- Four specially selected leather pieces including original Shell CORDOVAN leather for front layer
- Suitable for RH and LH archers as well
- Includes adhesive printed lay outs for different sizes and instruction

Remarks:

As we are using selected leathers, only, real colours of each leather may vary depending from availability
